

It is recommended that you take the courses in your program in the ordered outlined below. Intended to be a guide as you register for each quarter, the recommended sequence for courses ensures you gain prerequisite knowledge at the optimum time to success in subsequent courses. If you are not able to take the courses in recommended order, please discuss other scheduling options with your advisor

		12	BUS599	Strategic Management (prerequisite: to be taken as last or next to last class.)

Program sequencing is based on two courses per term sequence. Sequence does not consider remedial course requirements that may be required. Courses and prerequisites are subject to change. Sequence recommendation does not replace the need for an academic advisor. Sequence may be altered should the student have transfer credit applied to a student's program.
